

Hello

Recently I made a donation to CANDOR, a 501c3 registered non-profit based in Durham, NC. (candornc.org) Their mission in the co-creation of interdependent communities centered in abundance, access, and joy closely aligns with my own values.

I am not sure if you have a matching gifts program for employees, so I am providing you with their information in case a matching donation may be able to be made on my behalf. Thank you!

Sincerely,
